

Having a complete vaccine schedule and obtaining the health pass (*pass sanitaire*) after receiving vaccinations abroad

 <p>I have been vaccinated with...</p>	 <p>I have a vaccine schedule that is...</p>	 <p>Do I need to receive a new vaccine dose to obtain my health pass?</p>
<p>Pfizer-BioNTech, Moderna, AstraZeneca, Janssen (Authorised by the EMA)</p> <p>OR</p> <p>Covishield, R-Covi, Fiocruz (recognised as equivalents by the French National Agency for Medicines and Health Products (ANSM) or “EMA-like”)</p>	<p>Complete →</p>	<p>My schedule is complete, I do not need a new vaccine dose</p>
	<p>Incomplete →</p>	<p>YES, 1 dose of the mRNA vaccine**</p>
<p>Covaxin, Sinopharm*, Sinovac* (Recognised by the WHO)</p>	<p>Complete →</p>	<p>YES, 1 dose of the mRNA vaccine**</p>
	<p>Incomplete →</p>	<p>YES, 2 doses of the mRNA vaccine with 21 to 49 days between the doses**</p>
<p>Sputnik and others (Not recognised by the EMA or the WHO)</p>	<p>Complete or incomplete →</p>	<p>YES, 2 doses of the mRNA vaccine with 21 to 49 days between the doses**</p>

*
- Sinopharm (Beijing Institute of Biological Products): SARS-CoV-2 vaccine (Vero Cell), Inactivated (InCoV)
- Sinovac: COVID-19 vaccine (Vero Cell), Inactivated/Coronavac™

** 4 weeks after the last vaccine injection received abroad or, otherwise, as soon as possible with Pfizer-BioNTech vaccine or Moderna vaccine. Pfizer-BioNTech vaccine is recommended for the people aged under 30.

If you receive one or more additional doses in France, your health pass will be valid 7 days after the last injection of the mRNA vaccine.

More information about vaccination can be found at: www.solidarites-sante.gouv.fr/vaccin-covid-19
