◆ RESEARCH

Because the world has changed, SKEMA has organised its faculty around 4 academies — globalisation, innovation, digitalisation, and transformation — thus addressing traditional fields of expertise (strategy, finance, marketing, supply chain, human resources...) in a more transversal and global manner.

In terms of research, the School has deployed 7 research centres: Finance and Accounting Insights on Risk and Regulation (FAIRR), Knowledge, Technology and Organisation (KTO), Market Interactions (MINT), SKEMA Centre for Analytics and Management Science (SCAMS), SKEMA Centre for Sustainability Studies (SCSS), SKEMA Centre for Artificial Intelligence (SCAI), SKEMA Centre for Global Risks (SCGR)
