

PARIS (CRÉTEIL)

UNIVERSITÉ PARIS-EST CRÉTEIL VAL DE MARNE

With 14 faculties, schools and institutes, 1 observatory and 32 research laboratories, UPEC has been present in all fields of knowledge since 1970, and trains over 42,000 students and working people of all ages each year.

A major player in the dissemination of academic, scientific and technological culture, the institution provides more than 500 training courses in all disciplines, from BUT to doctorate.

As a committed university, UPEC thinks and responds to the challenges of social and environmental transformation by promoting excellence and greater social justice. It has built its institutional project around five strategic areas of interdisciplinary development in training and research:

- Francophonies and plurilingualism;
- Digital sciences and practices;
- Health, Society, Environment;
- Knowledge and practices in education and training;
- Social transformations, inequalities and resistance.

◆ MAIN PROGRAMMES OF STUDY

The range of training courses is divided into 5 main areas:

- Law, economics and management
- Literature and languages
- Humanities and social sciences
- Science, technology and health
- Health professions

◆ RESEARCH

UPEC promotes a cross-disciplinary approach, a source of creativity and innovation, to address social challenges. Research is based on 32 laboratories and 7 doctoral schools and is structured around 5 main areas:

- Biology and health;
- Chemistry, materials science, environmental sciences;

- Law, economics, management and political science;
- Literature, languages, humanities, educational sciences and urban planning;
- Mathematics, information and communication sciences and technologies.

Internationally mobile PhD students and researchers can be informed and guided before their arrival and during their stay in France by Acc&ss Paris-est.

◆ STRENGTHS

- A multidisciplinary university of the Greater Paris area
- Cutting-edge research
- Strong ties with the business community
- A globally oriented university

21 Degree programs taught in English.

The Department of Teaching French Language, Culture and Institutions (DELClFE) offers a wide range of courses in French as a Foreign Language.

UPEC has been awarded a 2-star label in the context of the national welcome program for international students, Choose France.
